Vienna is like ...

## Life and Quality

*Wienerwald, Hochquellwater (water of springs from the mountains)  
Social housing, safety in everyday life.*

## Imperial and Modern

*Like Klimt and Sissy  
Like Hundertwasser and skyscraper*

## Danube and Energy

*Hydroelectric power stations instead of Atomic Energy: NO, thanks!*

## Danube and Island

*Our recreation areas are the enormous Danube Island and the National Park "Donauauen".*

## Coffeehouse and Culture

*Our Coffeehouses are cultural areas*

## Mozart and Falco

*Our composers are famous. If it is Mozart or Strauß with his "Danube Waltz"  
Or Falco and the "Young Romains".*
